

Coaster and Trivet Design Contest

Submission Deadline: 2/14/2021

Taking a sustainable approach to disposing glaze, District Clay will now be mixing it with clay, reclaiming waste, and transforming it into usable objects. We are putting out this call to all of our students and artists for our first designs. The top 3 designs, voted on by our clay community, will win awards and be put into production as both 4 inch coasters and 8½ inch trivets. **All proceeds from the sale of these reclaimed objects will go towards District Clay's Community Clay Program.**

1st Place	2nd Place	3rd Place
Coaster & Trivet, Tote or Tee, and Jon Kerr Mug	Coaster & Trivet, Tote or Tee	Coaster & Trivet

All designs should be **LINE DRAWINGS** (think coloring book) in a **CIRCLE** and must include the **DISTRICT CLAY CENTER** name.

Photos of physical drawings or digital designs should be uploaded to this folder:
